SCORE ANY RACE

Print one for every friend. Write in the race and the candidates, score each one from 0 to 10, then add up everyone's scores. It works for a mock election, a club vote or the office lunch: any choice with more than two options.

SCORE BALLOT

SCORE VOTING · 0 TO 10

Score every candidate from 0 to 10.

Fill in one bubble per candidate. 0 = no support. 10 = strongest support. Ties are fine.

Race: _____
